

A Christmas-Toy Story: SONGSHEET

SONG 1: Santa's Here

1. Santa's here, Santa's here,
With his big sleigh and magic reindeer,
Santa's here, Santa's here,
With a 'ho-ho-ho' and Christmas cheer.
Two, four, six, eight, Santa is really great.

CHORUS:

What's in his sack? Games and toys,
Presents for all the girls and boys,
He leaves them in stockings or by the tree,
Christmas gifts for you and me.
Santa's gifts for you and me.

2. Santa's here, Santa's here,
With his bright red suit and his long white beard,
Santa's here, Santa's here,
For the very, very best day of the year.
Two, four, six, eight, Santa is really great. *(Repeat Chorus)*

MID SECTION:

And we've left something for Santa too,
A mince pie and warm drink to see him through,
With carrots for all of his reindeer,
We'll pull his sleigh into top gear.

Two, four, six, eight, Santa is really great. *(Repeat Chorus twice)*

SONG 2: When Toys Come Alive

VERSE:

Every night between midnight and five,
Toys round the world, come alive,
They wake from their sleep to dance and play,
Toys everywhere, shout HOO-RAY!

Every night between midnight and five,
Toys round the world, start to jive,
But don't let the humans ever find out,
What toys' nightlife is all about.

LINK:

So wake up, wake up, shaky, shaky, shake up,
Get your body moving, get your body moving,
Wake up, wake up, shaky, shaky, shake up,
Get your body grooving, it's time to party!

CHORUS:

When toys come alive, it's party time,
When toys come alive, midnight chimes,
When toys come alive, it's time for fun,
It's time to sing, shout, dance and run.

When toys come alive, they dance all night,
When toys come alive, it's a delight,
When toys come alive, until the dawn,
They party, party, party on!

(Repeat all, then repeat link, chorus and link)

SONG 3: Jingle Bells Rock

VERSE 1: Come with me, come to see,
Who's at the North Pole,
Come with me, come to see, a merry old soul,
He wears bright red and he loves the snow,
He laughs out loud with a jolly ho-ho-ho,
Listen to his sleigh bells ring,
Listen and you'll hear him sing.

CHORUS 1: Jingle bells, jingle bells, jingle all the way,
Oh, what fun it is to rock in a one horse open sleigh. HEY!
Jingle bells, jingle bells, jingle all the way,
We will sing this rocking song, all through Christmas Day.

VERSE 2: Come with me, come to see, Father Christmas,
Old Saint Nick, Santa Claus, means the same to us,
His elves help him, to make lots of toys,
And games and treats for all the girls and boys,
He brings them down, your chimney,
Fills your stocking by the tree.

CHORUS 2: Jingle bells, jingle bells, jingle all the way,
Oh, what fun it is to rock in a one horse open sleigh. HEY!
Jingle bells, jingle bells, jingle all the way,
We will sing this rocking song,
All through Christmas, into Boxing Day.

VERSE 3: On Christmas Eve, he boards his sleigh,
Pulled by magic reindeer along the way,
Dasher and Dancer, Prancer and Vixen,
Comet and Cupid, Donner and Blitzen,
And filling the way with light,
Rudolph with his nose so bright.

CHORUS 3: Jingle bells, jingle bells, jingle all the way,
We know Santa's secret that he likes to rock this way. HEY!
Jingle bells, jingle bells, jingle all the way,
We will sing this rocking song,
All through Christmas, into Boxing, onto New Year's Day.
HEY! HEY!

SONG 4: Being Here With You

1. Hear the bells ring for Christmas Day,
Hear the laughter as children play,
See the Christmas tree clothed in light,
See all the presents, what a sight!
Feel the wrapping, what's inside,
Feel the thrill as you open it wide.

CHORUS: A gift for me and a gift for you,
But the best gift of all is being here with you,
We love the joy of Christmas Day it's true,
But the best gift of all is being here with you,
Here with you – oo – oo – oo – oo.

2. Smell the Christmas dinner roasting,
Smell chestnuts and Christmas pudding,
Taste the turkey, veg and gravy,
Taste the sweets, chocolate and candy,
Feel winter's cold just fade away,
Feel the warm fire and warm embrace.

(Repeat Chorus)

Here with you – oo – oo... Here with you...

(Repeat Chorus)

Ahhh, ahhh, ahhh, ahhh... Here with you – oo... (x3)

SONG 5: The Christmas Story

1. Two thousand years ago in, a land far away,
An angel came to visit, a girl called Mary,
To say she'd have a baby, to call Him Jesus,
And that would be the start of, the first Christmas.

CHORUS:

The Christmas story, is that the Saviour came,
The Christmas story, King Jesus was His name,
The Christmas story, is that love came to earth,
The Christmas story, is the Messiah's birth.

2. Mary told her fiancé, a good man called Jo,
He said that to Bethlehem, they both had to go,
But in Bethlehem they found, all the inns were full,
So God's Son was born inside, a lowly stable. *(Repeat Chorus)*

BRIDGE: And the angels sang,
Glory, glory, glory, glory, glory, glory,
That's the Christmas story.
And they sang,
Glory, glory, glory, glory, glory, glory,
That's the Christmas story.

3. Jesus slept in a manger, meanwhile angels sang,
To tell the news to shepherds, to Jesus they ran,
Then three kings arrived having, followed a new star,
They brought precious gifts of gold, frankincense and myrrh.
(Repeat Chorus once & Bridge twice)

SONG 6: Footprints In The Snow

1. There's no need to be lonely at Christmas,
I will be here for you.
There's no need to be lonely at Christmas,
Here's a hug from me to you.

LINK: I know there's been hurt and pain this year,
I know there's been sadness with many tears,
But through it all I will always be right here.

CHORUS:

So take my hand, walk with me,
You're not alone, I will always be,
Here, right by your side.

Never gone, this is true,
When times get tough, I will carry you,
My arms are open wide,
I'm here right by your side.

2. There's no need to be lonely at Christmas,
Despite the wind and snow,
There's no need to be lonely at Christmas,
I will never let you go. *(Repeat Link & Chorus)*

MID SECTION:

Footprints in the snow,
Show where we have come from,
But this I surely know,
The journey's just begun.

Footprints in the snow,
Show where we have come from,
You carried us high and low,
Till we'd strength to carry on.

(Repeat Link once & Chorus once, then repeat last line)

SONG 7: Family

1. We've found the best Christmas present,
We've found the best Christmas gift.
Can you guess what it is? Can you guess what it is?

It's not something that you open,
And you won't find it on Santa's list.
Can you guess what it is? Can you guess what it is?

We've found the best Christmas present,
We've found the best Christmas gift.
Can you guess what it is? Can you guess what it is?

It's not something that you open,
And you won't find it on Santa's list.
It's family, it's family, it's fami, fami, fami, fami, family.

CHORUS:

We have come from different places,
Different pasts and different faces,
But now we're one family, so take my hand and sing with me.
We're family. We're family. We're family. We're family.

2. There's nothing quite like this feeling,
There's nothing that feels this way.
Family, family, fami, fami, fami, fami, family.

Everyone gathered together,
Around the tree here on Christmas Day.
Family, family, fami, fami, fami, fami, family. *(Repeat Chorus)*

RAP: So take your sister's hand, we're gonna dance all night,
Swing her round and round 'cause it sure feels right.
So take your brother's hand, we're gonna dance all night,
Swing him round and round 'cause it sure feels right.

END CHORUS:

We have come from different places,
Different pasts and different faces,
But now we're one family,
So take my hand and sing with me. We're family.

SONG 8: On Christmas Day In The Morning

CHORUS: Let the bells ring out today,
On Christmas Day, on Christmas Day,
Let the bells ring out today,
On Christmas Day in the morning. *(Repeat)*

VERSE: Join with all your loved ones here,
Spread around the Christmas cheer,
Safe and warm, from the snow,
Kiss beneath the mistletoe.

Old Saint Nick has been and gone,
Leaving gifts for everyone,
Here beneath the Christmas tree,
Presents wrapped for you and me. *(Repeat Chorus, Verse, Chorus)*

BRIDGE:

Deck the halls with boughs of holly, La la la la, la la la la,
Tis the season to be jolly, La la la la, la la la la,
See the blazing yule before us, La la la, la la la, la la la,
Strike the harp and join the chorus, La la la la, la la la la.

Deck the halls with boughs of holly, La la la la, la la la la,
Tis the season to be jolly, La la la la, la la la la,
Don't forget the point of Christmas, La la la, la la la, la la la,
Celebrate the birth of Jesus, La la la la, la la la la.

(Repeat Chorus and repeat last line)
